

## Rouen-Les-Essarts, France

v1.02

This track is respectfully dedicaced to Efisio Manunza.

### Introduction

Elwood, Madhorse and Virtua\_LM are proud to present you with an enhanced version of Rouen-Les-Essarts, France. This track, previously created from scratch for the Prototype-C Mod (F1 Challenge 99-02) has been deeply modified for rFactor. Among the most significant modifications, the 1974-1994 layout has been created and several parts have been smoothed also. Most textures are also new, as well as several trackside objects.

### Content

- ▶ 1955-1970 layout
- ▶ 1974-1994 layout

### History

- ▶▶ 26th January 2008 - v1.01  
rFactor
- ▶▶ 31rd Decembe 2009 - v1.02  
GT-Legends / GTR2 / Race / GTR Evolution

- ▶▶ Special thanks go to ...

- ▶ Image Space Incorporated (ISI), for developing rFactor and for their technical support.
- ▶ Pete Walsh, for his great support and originally creating rFactorCentral.
- ▶ emac, for hosting our forums and for his kindness and honesty in our everyday virtual life.
- ▶ RacingFR testers, for their enthusiasm and particularly Desmo and Sticky-Fingers for the great organization.
- ▶ Our families who shared and endured this strange passion during those last years.
- ▶ Our loyal fans

### Terms and conditions

- ▶ Conversion or modification of any of this package's contents is strictly prohibited, whatever the destination platform
- ▶ Usage of textures can be granted according to the conditions described on the Virtua\_LM website (disclaimer section)
- ▶ The F1-Challenge 99-02 version of Rouen-Les-Essarts is now part of public domain.

- ▶ In a more general way, the restrictions of use applied to this package are described inside the disclaimer section of the Virtua\_LM website (<http://virtua-lm.com>). Any additional question can be asked (in a polite way) on our forums.
